Dear 2018 Archery Instructor Program Participant:

I am pleased that you will be joining me for the archery instructor training at Wyonegonic Camps. **The course will be Tuesday June 12th 1:00pm – Wednesday June 13th 6:00PM.**

Experience with archery is not required. If you do have experience in archery, indicate that in the student information sheets.

Archery is an easy sport to teach and can be fun for the campers. With archery you are teaching more than just how to shoot an arrow. You are empowering your students to overcome fear, gain confidence, be focused and to have fun in a safe environment. It is very important that you leave the Instructor's Program with a key word and that word is **"Safety".**   The bow and arrow can be very dangerous. If you pass the course, you will be responsible for monitoring children and helping them to understand safety at all times. Your behavior will indicate to me, whether or not you can handle this important responsibility.

Cell phones: We ask that you leave them in the car or in your cabin or back at camp. Because if camp needs to reach you, they will call the office. Bring a watch and a camera instead of your phone.

Requirements to Pass: Skills Test, Written Exam. Have an outstanding attitude as it is an intense and fast paced class.

Items you might want to bring: Clipboard, notepad, pencil, bug repellent, lawn chair, camera, watch, and warm clothing as it can get cool this time of year.

I look forward to working with you. If you have any questions beforehand, feel free to contact me at: Lucy@nearcheery.com or (603) 317-5413.

Sincerely,

Lucy A Morris
